First of all my sincere and heartfelt thanks to Jack White
for his interest in recording me and having the faith in me that I could still "rock out."
Also to Melanie Shelley and my publicist Jon Hensley for their
original idea for this collaboration.
Bob Dylan for his support and his suggestion that I record
"Thunder on the Mountain" – thanks Bob!!
The Third Man staff for their talent and energy!... working with Jack White has been a
blast and he has pushed me into the 21st century!
